

4 Reasons USBenefits Has Partnered with Embrace Pet Insurance for Employees

Your search for a unique new benefit is over. USBenefits & Embrace makes offering pet insurance simple to navigate and turnkey to launch.

1 A Built-in Audience

68% of Americans have at least one pet at home¹

95% of US pet parents consider their pets to be part of the family²

\$95.7 billion was spent by Americans on pet care in 2019³

2 Turnkey Implementation

- No cost to you or your clients
- No minimum enrollment
- No group plan to work within
- Exclusive 10% discount with up to 25% in discount opportunities⁴
- Direct billing avoids payroll complications
- Embrace provides digital & printed marketing materials

3 Provides Peace of Mind for Employees

Every 6 Seconds a pet parent gets an ER vet bill of \$1,000 or more⁵

60% of Americans have less than \$1,000 in their savings account⁶

When employees' out-of-work needs are met, they're less distracted during the workday⁷

4 Industry-leading Support

- Dedicated account representative for you & your clients
- Award-winning customer care⁸
- A+ rating with the Better Business Bureau
- A+ underwriter rating by A.M. Best Company
- Rated over 9/10 by actual policyholders⁹
